

Students Elect Homecoming Queen Today

Runoffs for the homecoming queen are being held today in the main hall. The winner will be coronated at 11:30 p.m. tomorrow at the homecoming dance in the Men's gymnasium.

The finalists are Barbara Berry, Gilroy; Judie Fry, Salinas; Judi Jenkins, San Mateo; Karen Snyder, Watsonville; Lotus Zuckswert, Santa Cruz.

Sandy Epperson, last year's homecoming queen, will crown the new queen, and Bill Throgmorton, student body president, will present the scepter and roses.

Admission to the dance will be \$1 for student body card holders and \$1.50 for those who do not have cards; music will be provided by the Hartnell dance band. Committees for the dance are Betsy Wong, general chairman; Georgann Cowles, refreshments; Bill Throgmorton, music and finance; Janice Baird, publicity, and Nancy Suurballe and Betsy Wong, decorations.

The queen and her court will be presented at a rally Wednesday in the Men's gymnasium at 11 a.m.

Prior to the game on Thanksgiving day, there will be an alumni breakfast at 9 a.m. at Berdell's. The program for the breakfast includes the introduction of the new alumni officers and the introduction of the queen and her court. A complete breakfast of ham and eggs, toast, hash-brown potatoes, juice and coffee will be served for \$1.50. According to Mr. Sid Ahltye, comptroller, approximately 150 people are expected.

Following the breakfast, the parade will begin at 11 a.m. The participants enter the north en-

trance of the stadium at 11:30. Plans are being made to film the parade for television as the group enters the stadium. Floats entered in the parade include a queen float, a football float, a band float and a victory float.

The parade route will be down West Alisal street to Main street; then down Main street to Clay street, and down Clay street to Cayuga. The parade will follow Cayuga street into the stadium. As the entries parade around the stadium, the judging will take place.

A trophy will be presented

for the best float on the basis of originality, construction and design. According to Harry Flint, grand marshal of the parade, it is planned that the trophy will return to the college each year and will be presented at the homecoming.

Judges for the floats will include Mayor Arthur Atteridge of Salinas, Dr. J. F. Ching, and Mr. Stuart Dufour. Tentative additional judges are the class president of 1948, the mayor of Monterey and the president and vice-president of Monterey Peninsula college.

Commissioners Approve Loan Of \$1000 for Store Treasury

The student commission, Tuesday, voted to lend the student store \$1,000 so the store can pay its outstanding debts. The motion followed a discussion among the commissioners.

Ed Gunther, student store commissioner, explained: "Student preferences have changed from binders to notebooks. This leaves the store with a large inventory of binders and binder fillers." He also said the store is doing its utmost to serve the student body, but students are not patronizing the store as well as anticipated.

A special meeting will be held later by the student commission to discuss store problems. All members of the student body are invited to attend this meeting. The date will be announced.

Special Band Show Planned at Halftime Tomorrow Evening

A special show will be held during the Hartnell-Fresno halftime tomorrow night, according to Mr. Robert Lee, band director. Featured during the halftime will be the bands from the Salinas junior and senior high schools. They will accompany the Hartnell band and possibly the Fresno band in special numbers entitled, "Band Spectacular."

According to Mr. Lee, who will direct the Saturday night program, it is hoped that all high school bands in the area will be invited to a similar program next year.

Winter Ball Bids on Sale

Bids went on sale Wednesday for the first formal dance of the year, the Winter ball. The theme of the ball is "Winter's Magic Fascination." The dance will be held at the Mission ranch in Carmel from 9 p.m. to 1 a.m. Dec. 13.

Music for the semiformal affair — formal for the women and suits for the men — will be provided by the "Crescendos," a seven-piece dance band featuring Diane Stone as vocalist.

The 7.25 per couple price of the bid includes a roast beef dinner with all the trimmings. Bids will be on sale until Dec. 5.

Committee chairmen for the dance are Jane Ross, general chairman; Dolores Renfro, decorations; Carl Bergeron, band; Diana Devereux, bids; and Lynn Watson, publicity.

Accreditation Report Studied

■ Dr. J. F. Ching, left, Hartnell superintendent-president, and Mr. Stuart Dufour, assistant superintendent and vice-president, go over the Hartnell accreditation report prior to mailing it to the Western College association. (Dave Gates photo)

Footballers May Receive Bid For Potato Bowl Monday

Hartnell college will know Monday whether or not it must decide to accept a Potato bowl bid or pass up the Bakersfield game in hopes of getting a Junior Rose bowl invitation, according to word received Tuesday by Dr. J. F. Ching, college president.

Dr. Ching said the football players will be asked to decide on acceptance of the Potato bowl bid if it is offered.

Bakersfield officials will make their decision Monday morning.

Hartnell has received a preliminary contract from the Junior Rose bowl. It must be returned by Monday with the understanding that the Panthers will not accept another bowl bid while they are being considered for the Rose bowl. A similar contract was in the mail from Potato bowl directors.

Decision on the Rose bowl entry will be made at 5 p.m., Nov. 30. The dates in the two contracts put the present Hartnell team in a position similar to that of the 1953 eleven which passed up the Potato bowl in favor of a return trip to the larger bowl, but was not invited.

College Prepares For Rating Team

Representatives of the Western College association will be at Hartnell Dec. 17 and 18 for an accreditation visit. Colleges in the western states are examined periodically for accreditation for one to five years, according to Dr. J. F. Ching, Hartnell president.

Graduates of accredited colleges may send students to four-year institutions without the students being required to take regular entrance examinations.

The team will report to the association which will then decide whether or not Hartnell should be accredited. Faculty members and administrators have spent the past several months preparing the accreditation report which was approved by the board of trustees Tuesday night. It was then mailed to the Western College association.

The committee will check counseling facilities, course offerings, professional preparation of faculty members and adequacy of college facilities for carrying out a well-rounded program. The team will visit classes and will talk to the board of trustees, administrators and faculty members. The committee (Continued on Page 3)

Hartnell Art Group Sees DeYoung Show

Eighty Hartnell college art students visited the DeYoung museum in Golden Gate park, San Francisco, Thursday.

The students saw the works of the great art masters. They took notes on the work of artists about whom they must prepare written reports.

The students also visited the California Palace of Legion of Honor and ate dinner at a restaurant on Fisherman's wharf. They were accompanied by the college art instructors, Mr. Joseph Bragdon and Mr. Leon Amyx.

Officers Installed

Gwen Swanson has been installed as president of the Hartnell Colhecon club. Other officers are Darnell Hershbach, vice-president; Donna Lamb, secretary-treasurer, and Dolores Renfro, Interclub council representative.

Bowl Chances Topic Of Assembly Talk By Local Journalist

A rally will be held this morning at 9 o'clock to prepare for tomorrow night's game with Fresno. Some local vocal talent will perform and Ernie Olsen, sports editor of the Salinas Californian, will talk on Hartnell's Rose bowl chances.

Announcements will be made concerning the alumni breakfast, Winter ball and homecoming parade. The yell leaders, pompon girls and Hartnell's marching band will perform.

This will be the next to the last regularly scheduled football rally. There will be another at 11 a.m. Wednesday for the Monterey game.

Tolstoy's Play Gets Televised

The Hartnell college dramatic production, "What Men Live By," written by Leo Tolstoy, will be presented over KSBW television on Dec. 21 under the direction of Mr. Hal Ulrici.

The text of the play concerns the story of a Russian cobbler and his wife who, because of love for God, take into their home a poverty-stricken man unwanted by others. The pauper is found to be an excellent shoemaker's apprentice who through his dexterity and almost supernatural powers, brings fame and fortune to the couple.

Appearing in the production will be Robert Yost, Eva Taver-netti, Daniel Marsh, Lynne Taver-netti, Elizabeth Everton, Alene Hettinger, Charles Minor and Lloyd Ebel.

EDITORIAL

Homecoming Officials Praised

Today marks the final selection of Hartnell's alumni homecoming queen. In Wednesday's preliminary balloting student voters narrowed the number to five out of 19 candidates.

Whoever we choose for our queen today will reign through all the activities planned for this year's celebration which will honor our 1948 graduates.

We of the Panther Sentinel take this opportunity to salute those countless student body officials, campus organization representatives and others who have unselfishly and painstakingly contributed their time and effort toward making this alumni reunion a memorable one. In our memoir they rank as tops and unbeatable.

Panthers Roll On

Earlier in the college year we, among others, declared the Panther eleven to be one of the brightest spots in Pantherville. We still feel this way.

Only the pessimist would relegate the Panthers to a lesser position. The much vaunted Jaguars, the Panthers' toughest adversary thus far, tried to make us change our mind.

Seven down and two to go, that's the record the Panther grid-ers have recorded and the remaining number of games they must win.

Fresno JC may prove to have a team much tougher than the Jags from San Jose City college, but it must be of diamond—real diamond and not just synthetic—to cut through the steel Panther hide.

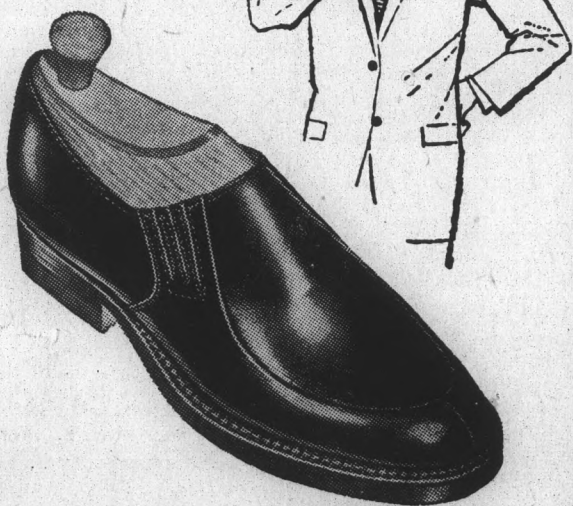

Result of tomorrow night's skirmish should show whether or not the Panther hide is becoming tougher. Meanwhile, attention, Monterey Peninsula college: Is your football team made of diamond?

Play Day Attracts 7 College Groups

A total of 310 participants from seven colleges took part in the coed sports day sponsored by the Hartnell Women's Athletic association Nov. 8.

Foothill, San Jose City, Monterey Peninsula, Oakland, San Francisco City and Hartnell college representatives competed in various sports events.

Carl Wolf was high point man in the archery contest when Hartnell's team scored an average of 474 points for first place.

In badminton, Verna Lipska of Hartnell won in women's singles. Hartnell also captured the top spot in men's singles when Stewart Liem won and went on to take the mixed doubles competition with his partner, Betty Wolcott.

Hartnell's volleyball team placed second and the bowling team finished third.

Hospital Career Discussion Planned

A panel discussion of medical service occupations will be held at noon Dec. 3 in the student union, according to Dr. Lionel Olsen. The main purpose of the discussion is to give interested students first-hand information and an opportunity to

Old Timers Recall Peavy "Powerhouse"

By Raymondo

If our Panthers can get by the rugged Rams tomorrow night, Thanksgiving day promises to present the greatest homecoming in Hartnell history.

Old grads are looking forward to the clash between Hartnell and the greatest Lobo team in MPC history. But it is inevitable that when reminiscing alumni get together at homecoming conversation will soon drift back to the "good old days."

Memories will be renewed of that other great grid mentor who still adorns the Hartnell campus. Students may not realize that 13 years ago the entire Hartnell coaching staff consisted of one man. Who was this titan of the PE department? This modern day Hercules who handled football, baseball, basketball, tennis and track single handed? None other than our beloved Mr. G. Darwin Peavy.

Coach Peavy taught football according to the book. By this we mean that on the first day of practice he greeted 21 grid hopefuls, mostly 4-F's and 17-year-olds, with a textbook entitled, "How to Play Football."

Coach Peavy's 1945 aggregation averaged 167 pounds and had a starting guard who tilted the scales at 138. One of the stars of the team had one leg about four inches shorter than the other. This made him a tremendously deceptive broken field runner.

Although the 1945 team dented the goal line in only two contests and did not win a game, the season was loaded with thrills. The Panthers rose to tremendous heights to tie San Benito J.C., 0 to 0. Since that time San Benito has de-emphasized football.

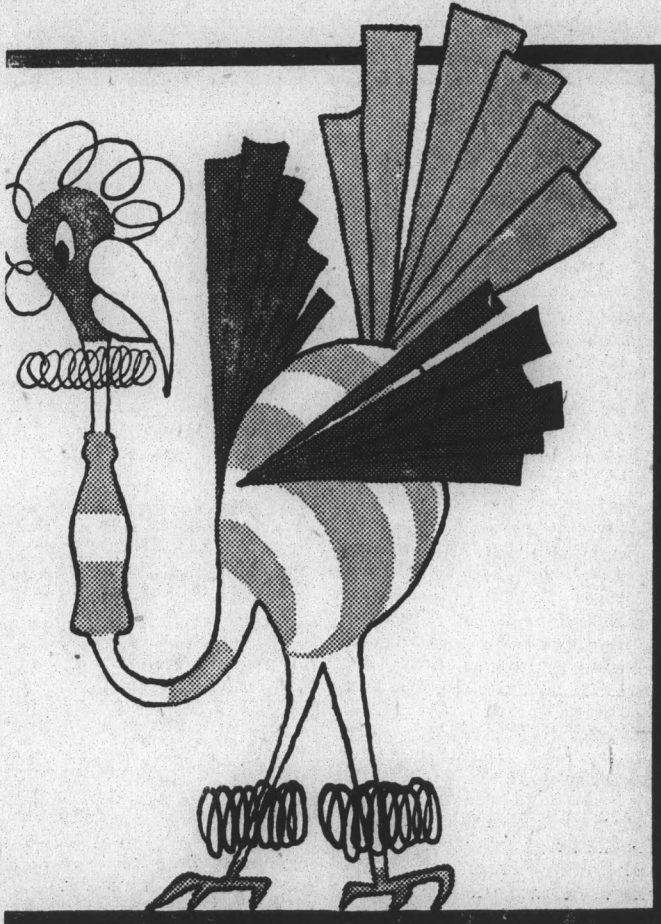

At least it is assuring to know that if the despondent S.F. 49'ers draft the present Hartnell staff before our season's end, we will still have the "Little Napoleon" to guide our gridiron destiny throughout the remainder of the season.

Ad in 1945 Sentinel: WANTED: girl with wooden leg to work in cafeteria to mash potatoes.

ask questions about the occupation in which they are interested.

Dr. James Wilson, Hartnell instructor, will preside. Members of the panel will be a phy-

sician, a nurse, a physical therapist and an occupational therapist, all of whom are employed by the Monterey county hospital. Each panelist will describe his occupation.

GREG'S GRIPES

City Scribe Tosses Alfalfa, As \$\$\$ Favor Riverside

By Jim Gregory

What kind of politics is going on in the south?

Recently, Hartnell sent a publicity release to the southern part of the state asking why Riverside was rated No. 1 in the state. The release pointed out that Cerritos had led Riverside by a score of 20-0 at halftime, and that Riverside had barely managed to squeak by to win by one point. Cerritos is a team which beat Compton 12-7. Hartnell stomped Compton 35-6, and had its second string in during most of the game.

In the release, Hartnell asked a question. Why should Riverside be picked to go to the Junior Rose bowl. This was the answer, as given by Jerome Hall of the Long Beach Press: "How about the Alfalfa bowl?" It seems as though he had no real answer.

Hall then goes on to tell of Riverside's 13-7 win over Orange Coast, and Santa Monica's 70-0 win over Los Angeles Harbor.

Big Scores Noted

Speaking of Santa Monica's trouncing of Harbor, aren't they making it a little obvious? How many times could Hartnell have recorded such scores this season?

We wonder what would have happened if Coach Ken Blue had left his first string in against Porterville and Cal Poly. We wonder, even, what would have happened at Compton. Perhaps, if Coach Blue would have thrown away the book on coaching morals, and let his Panthers rip the Tartars apart all night the Rose Bowl committee would be looking a bit closer at Hartnell.

Of course, it would have meant driving Compton into the dirt, but after all, isn't the spirit of the whole thing not to let anything stand between you and the Junior Rose bowl.

The Santa Monica coach seemed to see it that way.

Riverside Spirit High

Hall goes on to say that a lot of tickets to the Junior Rose Bowl would be sold in Riverside in the "name of civic pride and celebration."

Who is he trying to kid?

Incidentally, Hartnell received a phone call from the Junior Rose bowl committee saying that a contract would be sent to Hartnell stating that in the event the Panthers were chosen for the Junior Rose bowl, they would agree to certain terms.

It is probable that four or five of the teams in California received these contracts, but at least it shows that Hartnell is not out of the running, as some people would like to think.

Students Win Third Prizes At SF Journalism Conference

Hartnell students won two third prizes at the Northern California journalism association of junior colleges conference Saturday. The conference, held at San Francisco State, offered awards in six divisions: news, feature, editorial, sports and photography.

Jim Huffman, sophomore, took third place in the photography division for his picture of "Miss Carla Bergeron." Huffman, student commissioner of public relations, is from Santa Cruz and is a business major.

Jerry McFadden, freshman from Salinas, placed third in

the news writing contest. McFadden is a journalism major.

Guest speaker at the conference was Mr. Bill Steif, San Francisco news staff write.

Hartnell Instructor Home After Illness

Back home after two weeks in the hospital is Mr. Wilbert J. Robinson, Hartnell science instructor who is recovering from a major operation. Mr. Robinson who hopes to be teaching again by Dec. 1 entered Salinas Valley Memorial hospital on Halloween and was released, minus some kidney stones, Nov. 14.

During his weeks of rest, Mr. Robinson is constructing a dinosaur for nature study class and hopes to get outside so he can photograph birds.

The kidney stones have also left the hospital to be given to Mr. Robinson's fellow instructor, Mr. Raymond Puck, for his rock collection.

Cross-Country Team Takes Third Place

Hartnell college placed third in Saturday's Coast conference cross-country race on the Hartnell campus. San Jose City college won the championship.

Leading the Jaguars with a new record of 13:23 was Laxlo Tabori, formerly of Hungary and a third place finisher in the last Olympics. Rudy Garcia of Hartnell placed third.

The Panthers had defeated San Jose in a dual meet Nov. 8 by a score of 26-32.

"Get rid of Spark Plug 'Miss'—
greatest cause of power loss.
Put your car next to the
New White Pump"

If you're looking for the power your engine once had on hills and on getaways, now's the time to make your move—over to the new Super Shell pump.

Super Shell has an aviation "power pack" of aromatics to provide protection against knock under every driving condition. But in today's engines anti-knock alone is not enough.

That's why there's TCP* in Super Shell to guarantee full power, by ending today's major cause of power loss, spark plug "miss." TCP additive does this by neutralizing harmful combustion deposits—and so restores as much as 30 lost horsepower!

What's more, Super Shell's aromatics provide extra combustion energy that converts automatically to extra miles in every tankful.

Switch to Super Shell with TCP today.

*Shell's Trademark for this unique gasoline additive developed by Shell Research.

Seek Eighth Win Tomorrow

Members of the undefeated Hartnell football team are, left to right, first row, Machado, Enos, Handley, Elliott, Harrison, Aguliar, Turner; second row, Lewis, Porter, Horton, White, Riddle, Filice, Haynes; third row, Belman, Cabanyog, Harris, Micheletti, Anderson, Blanton, Sloan; fourth row, Stefanini, Bergeron, Finegold, Smith, Kanada, DeLuca, Bosworth; fifth row, Conley, Varbel, Juarez, Rohrke, Brown, Ward, Reidenbach; sixth row, Stireman, Hardy, Gilmore, Manning, Martinez, Marciel; rear row, Coaches Schwellenbach, Blue, Nergord and Muldoon and Trainer Hartsook. Coach Teresa was not present for the picture. Haynes and Manning are no longer with the squad.

Hartnell Eleven Faces Two Top Competitors

By Dave Wynne

The Hartnell Panthers can look forward to two rough games when they meet Fresno City college tomorrow night and Monterey Peninsula college on Thanksgiving to wind-up a successful football season, unless Hartnell receives a bowl bid.

Tomorrow night's game begins at 8 p.m., while Thursday's kickoff will take place at noon.

Both the Fresno and Monterey squads have lost one game this year. Fresno's loss was a 14-6 defeat to Stockton and San Jose City college beat MPC in an 18-12 game. Most of the other Southern California Junior Rose bowl contenders can take it easy these last weeks of the season, but Hartnell will keep on its toes as it faces two crucial games.

Leading the Fresno team will be a possible junior-college all-American halfback, Vestee Jackson. Monterey's top men, Quarterback Claude Crabb and End Larry Guilford, will lead the MPC Lobos into the Salinas high school stadium on "drumstick day."

As for the Hartnell starting lineup, two of the season's starters may be sitting on the bench

at the openings of the coming games. Right Halfback Dick Juarez may be pushed out of his starting position by Chris Machado, who has been making great improvements, as have Carl Bergeron and Val Marciel, one of whom may cop Mike Porter's tackle spot. With these possible exceptions, the Hartnell beginning squad will be the same as in past games.

Though MPC is capable of giving the Panthers a battle, according to Coach Ken Blue, Fresno should be his team's toughest opponent. The Rams are champions of the Central California conference.

Stireman Overtakes Cabanyog in Scoring

Jim Stireman moved ahead of Bob Cabanyog in the scoring honors for the Hartnell Panthers.

Stireman now has a total of 56 points to Cabanyog's 47. Stireman scored 12 points in the San Jose game to take the lead from Cabanyog who scored three points on points after touchdowns.

Panthers Crush Jaguar Eleven

Hartnell won a hard-fought defensive battle over the San Jose Jaguars for a 15-6 win, Nov. 8. The win was Hartnell's seventh straight, and gave the Panthers at least a tie for first place in the Coast conference.

Hartnell scored the first touchdown in the initial quarter, when Jim Stireman went over from the one-yard line. Bob Cabanyog kicked the extra point.

San Jose retaliated early in the second quarter after recovering Wayne Handley's fumble. The Jaguars pushed 36 yards for their only touchdown. They tried a staggered type formation for the extra point, but were stopped on the one-yard line.

Neither team was able to score until the Panthers, quarterbacked by Bill Riddle, bulled their way over from the one-yard line. Once again it was Jim Stireman doing the scoring. Cabanyog ran the ball over for the two extra points.

Stireman also leads in touchdowns with nine and has moved to within 17 yards of Cabanyog in the total yards rushing department. Cabanyog leads in the average yards per carry with a 6.6 average.

Wayne Handley leads in the passing department with a 52.7 per cent completed, and Ken Blanton leads in most receptions with eight for 158 yards.

Cabanyog has the most points after touchdown with 17.

As a team, Hartnell has averaged 4.46 yards per carry, and has a net yardage rushing of 1,762. The Panthers have held their opponents to a 1.69 yards per carry average and 422 yards gained rushing.
